JETSTRIKE CD32

Fasten your seatbelts and get ready to play JETSTRIKE

- the number one flight action game from Rasputin.

This special CD32 version contains:

Amazing new 24 bit graphics,

A simplified control system (so anyone can play),

A huge, specially-composed, Cd soundtrack,

Nearly 200 missions, many unique to this version,

Multi-player option for between 2 and 8 opponents,

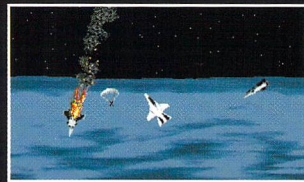

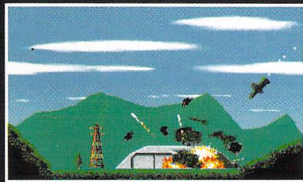

Over 60 different aircraft to choose from,

60 weapons systems (there's even a nuclear bomb!)

Altogether, one of the biggest games that you'll ever play on your CD32!

Are you up to the challenge? Can you take to the air and defeat the forces of SPUDD and save the world?

JETSTRIKE - THE ONLY FLIGHT GAME THAT REALLY HITS HOME!
